# Hotel La Casetta

at Toscana Valley

## La Casetta Roman Pool

If you tire of the busy city life and long for a secluded and peaceful hideaway by the mountains, La Casetta is just the perfect sanctuary you have been yearning for. La Casetta, in Italian means 'the cottage', a group of Tuscan style farmhouses all nestled along a large mountain range. The buildings, vary in size and patterns, along the boundary of Khao Yai National Park, one of the world's best oxygen sources and a UNECO World Heritage Site. The buildings are situated alongside a large lagoon that provides the perfect scenery resembling an Italian town and a valley filled with privately-owned Tuscan villas. The center of La Casetta has a large tiered Roman Pool, surrounded by numerous fountains, lush gardens of wild petunias and pine trees. All spacious rooms have high ceiling and are decorated mainly with natural materials and wooden furniture to ensure a warm, cozy and relaxing atmosphere. Some selected rooms have patios that allow direct access to gardens, pool and the lagoon while those built on higher grounds provide different perspectives of Khao Yai. Loft-style accommodations are also available for extended families with unique design that give kids or friends their personal loft space.

## Casetta Loft

Loft rooms are our largest guest room with an upper floor within the room providing more space with extra twin beds. With family living in mind, the design suits young couple with little kids or a small group of friends accommodating up to 4 persons per room. The room size is 70 square meters.

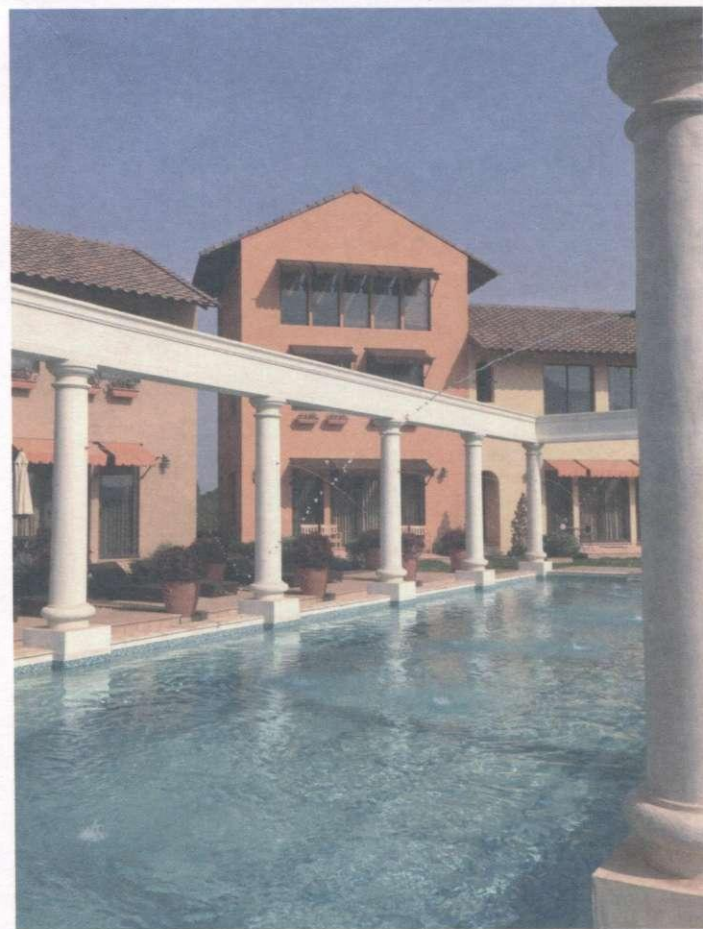

## Casetta Mountain

Located on top floors, Casetta Mountain boasts splendid views of the mountains as well as higher pitch ceiling. Large windows let you enjoy the surrounding picturesque views of the village and Khao Yai together. The size of the room is 49 square meters.

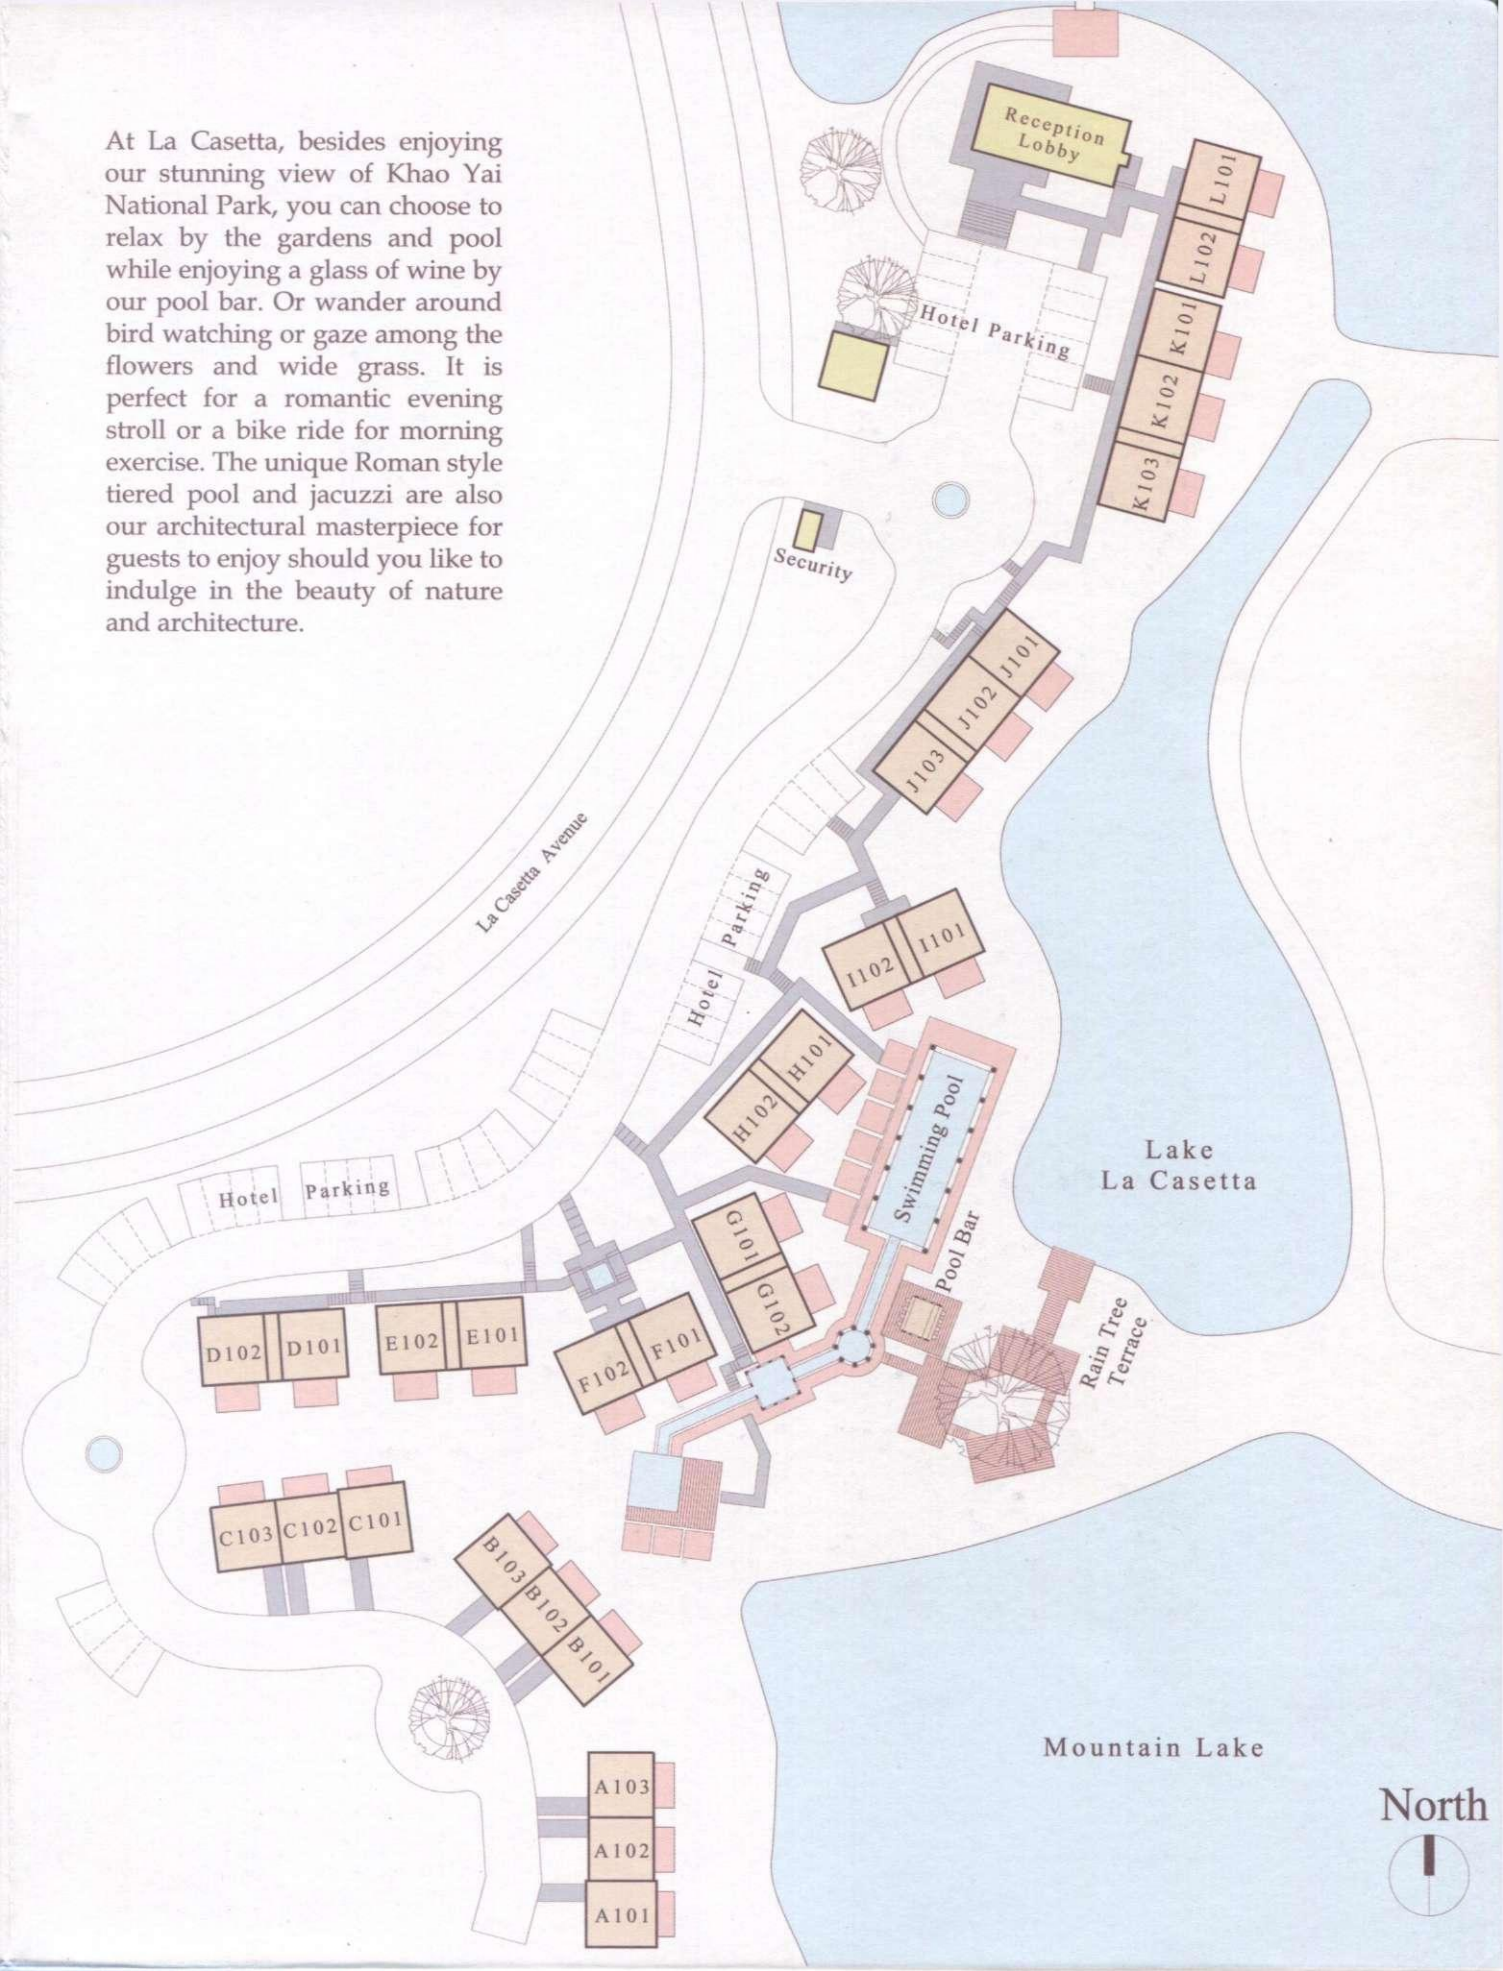

## Casetta Garden

With access to ground level patios, Casetta Garden rooms naturally let you enjoy the garden of wide petunias and fountain grass. Some of casetta garden rooms adjoin the swimming pool, pool bar and pool terrace. A request for these rooms should you wish to dip in La Casetta's Roman pool and jacuzzi. The room is 49 square meter plus 12 square meters terrace.

At La Casetta, besides enjoying our stunning view of Khao Yai National Park, you can choose to relax by the gardens and pool while enjoying a glass of wine by our pool bar. Or wander around bird watching or gaze among the flowers and wide grass. It is perfect for a romantic evening stroll or a bike ride for morning exercise. The unique Roman style tiered pool and jacuzzi are also our architectural masterpiece for guests to enjoy should you like to indulge in the beauty of nature and architecture.

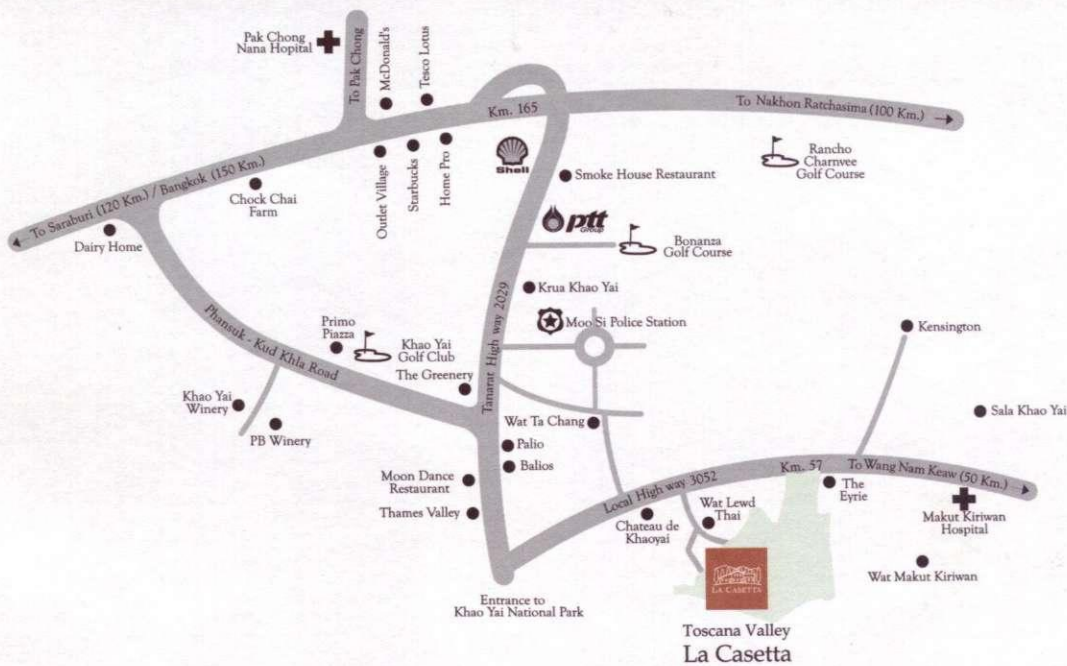

Two ways to travel to Toscana Valley Khao Yai. 1. take Vibhavadi Rangsit road or 2. take Outer Ring road (Kanchanaphisek road, recommended) to Saraburi, then take the left bend to Mittraphap road.
